

Bromham Neighbourhood Plan

Vision

Our vision is that Bromham should retain its identity and integrity as a rural village whose inhabitants enjoy its facilities safely, continue to have access to Bromham Park and its other green spaces, and derive value from Bromham Mill [and other village facilities]. Any new development in Bromham should be assimilated in a way that retains these characteristics.

Aims

Our aims are –

1. Identity and Integrity

to ensure that the village retains its broad shape and distinctive character and remains separate from, albeit linked with, Bedford and the surrounding villages;

2. Safety

to ensure that the location and layout of any new development reflect the need to minimise the impact of the additional traffic generated, in terms of volume and speed, on the rural character and safety of the village;

3. Bromham Park and other Green Spaces

to enable inhabitants to enjoy continued access to Bromham Park and other green spaces and footpaths;

4. Bromham Mill

to enhance the value of Bromham Mill to the inhabitants of Bromham and other local people by increasing the number of events and activities it hosts, and giving the site a more dynamic and central focus in village life.
